The Wellbeing Workout

How to manage stress and develop resilience

If you want to get physically fit you start working out. But if you want results, you can’t just do just any workout – you need one tailored to your own body’s needs and personal situation. It’s the same with wellbeing. What constitutes ‘stress’ to one person may be motivating, inspiring and focusing for another. [...]

*Macroeconomic Theory: Fluctuations, Inflation and Growth in Closed and Open Economies*

Macroeconomics is the application of economic theory to the study of the economy’s growth, cycle and price-level determination. Macroeconomics takes account of stylized facts observed in the real world and builds theoretical frameworks to explain such facts. Economic growth is a stylized fact of market economies, since England’s nineteenth-century industrial revolution.
