While the discussions among Brexiters mainly focus on the referendum of 2016 or David Cameron’s “great miscalculation” and its repercussions, this book looks at the Brexit as a process that began decades earlier. It analyses EU-UK relations from a new perspective, taking into consideration the historical background, political aspects, and legal and economic matters.

This book examines one of the most contested issues facing feminists, human rights activists and governments around the globe – the international sex trade. For decades, the liberal left has been conflicted as to whether pro-prostitution activists or abolitionists hold the correct view, and debates are ongoing as to who holds the key to the solutions facing the women and girls involved.
