D. K. Coffey

Drafting the Irish Constitution, 1935–1937
Transnational Influences in Interwar Europe

The second of two volumes, this book situates the drafting of the Irish Constitution within broader transnational constitutional currents. Donal K. Coffey pioneers a new method of draft sequencing in order to track early influences in the drafting process and demonstrate the importance of European influences such as the German, Polish, and Portuguese Constitutions to the Irish drafts. P. Towle

History, Empathy and Conflict
Heroes, Victims and Victimisers

This book argues that popular culture has been transformed in a silent revolution from emphasising history’s heroes to its victims. While city squares and stations were named in the nineteenth century after military victories, now the equivalent airports are named after the victims of violence. [...] 2018. X, 159 p. Hebrew Fascism in Palestine, 1922–1942

This book focuses on a little-studied yet virulent and devoted fascist faction that was active within Zionist circles during the 1920s and 1930s. Since the early 1930s, the term ‘fascist’ was regularly used by Labour Zionists in order to defame their right-wing opponents, the ‘Revisionists’. The latter group, for its part, tended to reject such accusations. [...]

Devotion to St. Anne in Texts and Images
From Byzantium to the Late European Middle Ages
St. Anne was popular with representatives of various segments of society – from monks, nuns, members of the clergy, royal patrons, to church-goers of every rank. This book looks into both the public and private worship of this holy woman and brings to the surface some under-exposed aspects of it. [...]

Could the Versailles System have Worked?
This book explores the significance of the post-First World War peace settlement negotiated at Versailles in 1919. Versailles has always been a controversial subject and it has long been contended that the Treaty imposed unnecessarily severe conditions upon the defeated nations, particularly Germany, and in large part can be held responsible for the outbreak of war in 1939. This book considers the [...]
