Child and Adolescent Psychiatry and Mental Health

*Child and Adolescent Psychiatry and Mental Health* is affiliated with the International Association for Child and Adolescent Psychiatry and Allied Professions (IACAPAP). CAPMH is a high-visibility venue for the rapid exchange of interdisciplinary research into the diagnosis, prognosis and treatment of mental health conditions in children and adolescents worldwide. CAPMH welcomes research across a range of research disciplines including psychiatry, paediatrics, psychology and neuroscience, and supports and encourages research on underrepresented topics within psychiatry and mental health.

**Editor-in-Chief:** Prof Jörg M Fegert, University Hospital Ulm, Germany
