This book analyses the perceived legitimacy of health and safety in post-1960 British public life. Since 2010 health and safety has appeared to be in crisis, being attacked by press, politicians and public alike, but are these claims of crisis accurate? How have understandings of health and safety changed over the past 60 years? [...]

HIV Survivors in Sydney
Memories of the Epidemic
Inner-city Sydney was the epicenter of gay life in the Southern hemisphere in the 1970s and early 1980s. Gay men moved from across Australasia to find liberation in the city's vibrant community networks; and when HIV and AIDS devastated those networks, they grieved, suffered, and survived in ways that have often been left out of the historical record. The Building of Civil Europe 1951–1972

This book argues that early European Commission officials envisaged an integrated civil Europe from the outset. Largely overlooked is the fact that between 1951 and 1972 there was a group of European Commission (and before that the High Authority) officials who wished to build a Civil Europe to sit alongside an economic and political Europe. [...]

A Brief History of Universities

In this book, John C. Moore surveys the history of universities, from their origin in the Middle Ages to the present. Universities have survived the disruptive power of the Protestant Reformation, the Scientific, French, and Industrial Revolutions, and the turmoil of two world wars—and they have been exported to every continent through Western imperialism. [...]

Amsterdam’s Sephardic Merchants and the Atlantic Sugar Trade in the Seventeenth Century

This book surveys the role of Amsterdam’s Sephardic merchants in the westward expansion of sugar production and trade in the seventeenth-century Atlantic. It offers an historical-geographic perspective, linking Amsterdam as an emerging staple market to a network of merchants of the “Portuguese Nation,” conducting trade from the Iberian Peninsula and Brazil. Medieval Elite Women and the Exercise of Power, 1100–1400

Moving beyond the Exceptionalist Debate

For decades, medieval scholarship has been dominated by the paradigm that women who wielded power after c. 1100 were exceptions to the “rule” of female exclusion from governance and the public sphere. This collection makes a powerful case for a new paradigm. [...] 2019. XVII, 310 p. 6 illus., 3 illus. in color. (The New Middle Ages) Hardcover
