Protecting Victims of Human Trafficking From Liability
The European Approach
This book demonstrates the difficulty of protecting victims of human trafficking from being held liable for crimes they were compelled to commit in the course, or as a consequence, of being trafficked, under current European law. The legislation remains vague and potentially inadequate to recognise victimhood, safeguard the human rights of victims, and avoid further victimisation. [...] 2019. XIV, 213 p. 1 illus. Judicial Independence
Memoirs of a European Judge
This book is about law, but it is not a law book. It is aimed at all interested contemporaries, lawyers and non-lawyers alike. Richly seasoned with personal memories and anecdotes, it offers unique insights into how European courts actually work. It is generally assumed that independence is part and parcel of the role and function of a judge. [...]
