PALGRAVE MACMILLAN JOURNALS

As part of Springer Nature, Palgrave Macmillan continues to uphold its reputation as a dynamic journal publisher and an unbroken tradition of over 170 years of academic publishing.

The portfolio includes 40+ journals that provide award-winning research from across the humanities, social sciences, and business for academics, professional, and librarians. The journals are internationally recognized as leaders in their fields and are published in collaborations with societies and institutions.

Authoritative and acclaimed portfolio in Business and Economics, providing the very best international research to help guide and enrich academics and practitioners.

We work with the world’s top organisations, and thought leaders, publishing leading authors such as the Nobel Prize winning Paul Krugman.

These journals offer the latest cutting-edge research across a broad range of subjects. Journals include Postmedieval, BioSocieties, Urban Design International, and American Journal of Cultural Sociology.

This portfolio is essential reading for academics and students in the humanities and social sciences.

Featuring research from leading scholars and practitioners, Palgrave Politics and International Relations journals provide unique and timely insight into a fast changing world.

We offer a selection of subject-defining journals including Latino Studies, International Politics, European Political Science, and Journal of International Relations and Development.
Journal Spotlight: Journal of International Business Studies

Journal of International Business Studies (JIBS) is the official publication of the Academy of International Business and the top-ranked journal in the field of international business. Multidisciplinary in scope and interdisciplinary in content and methodology, the goal of JIBS is to publish insightful, innovative and impactful research on international business.

For more information please visit: www.jibs.net

- Ranked by Google Scholar as 1st in International Business
- One of 50 journals used by Financial Times to determine business school research rankings
- One of 24 journals used to determine UT-Dallas Top 100 Business School Research Rankings

What JIBS authors have to say:

“Very constructive reviews and the editorial team was very accommodating when we had to extend time due to additional data collections”

“Really impressed by the Editorial process. Very thorough feedback and quick turnarounds. The Editor was challenging, yet still guided us through the process.”

“Supportive, thoughtful, and timely feedback by the editor and reviewers.”

“The editor was highly competent and very capable of managing the review process”
